

St. Patrick Catholic Academy
“Building upon the past; preparing our students for the future.”
Lunch Help Guidelines

Mission: *The mission of SPCA is to provide our students with an education rooted in the belief that the basis for all learning is both spiritual and intellectual. Our administration, faculty and parents are committed to acknowledge and affirm the presence of God and to make His Gospel message known and lived by teaching and example.*

1. We “lead by example,” please keep that in mind.
2. We have two lunch periods this year! 11:30 – 12:15 and 12:15 – 1:00.
We need you to stay for the entire 45 minute period!
3. Please focus on all the students; not just your own child. We need help watching all the children. This is not an opportunity to *have lunch with your child*.
4. Please stay off your cell phone unless it is an emergency. If you are talking on the phone, it is difficult to focus on the children.
5. No child should be sent to the nurse without notifying the principal or teacher on duty.
6. Please let Ms. Curatolo or the teacher on duty know if a child is disrespectful to any parent.
7. Washing down the tables and chairs once the children leave is part of the job! This is for the health and safety of students!

Many thanks to those who generously volunteer!
