### “In school news”- Class of 2019 Ring Ceremony

By Joseph Geraci

On October 5, the first Friday of the month, the Class of 2019 received their St. Patrick’s class rings. We all attended First Friday Mass. Monsignor Hardiman mentioned in his homily, that the ring is like a circle with no beginning and with no end. He also said that the 8th graders were bursting with pride to be Class of 2019. In the Church, the 8th graders were given their rings on a ribbon from our principal Ms. Curatolo and Monsignor Hardiman. After Mass, we all were invited to the auditorium of the school to watch the continuation of the ring ceremony.

When we got to the auditorium, the 8th graders processed in while the song “Africa” was playing. Then, we found out that the 8th graders picked this song. The 8th graders then went on stage and we said prayers. Each 8th grade student picked a special person to cut the ring off the ribbon and put it on their hand. The 8th grade teacher Mrs. Keenan called the name of the student and their special person to stand up on the stage and cut the ribbon.

I asked Justin Polito, brother of 8th grader, Lauren Polito how he felt presenting his sister her ring. “It was kind of stressful,” the younger Polito sibling noted, “I had the entire school watching” he continued.

Afterwards, each 8th grader visited a class to have their rings turned (toward the pinky) for good luck. It was the first of many memorable milestones the 8th graders will mark as the graduating class. It was nice to witness and share in this special day. Congratulations to the Class of 2019!!

### “In other news”- MLB Playoffs 2018

By Jack McMahon

This Major League Baseball postseason is in full ‘swing’ and it has flown by quickly as the World Series is quickly approaching. This postseason has been a shocker so far with the Brewers clinching the NL Central on the last game of the season, the Cubs losing to the Rockies in the Wild Card game, and the Yankees crushing the Athletics in the Wild Card. In the ALCS there is a rematch of the ALDS last year with the Astros and the Red Sox. This year might be a better matchup with additions of JD Martinez and the “on fire” Mookie Betts. The postseason is really heating up!
