

Summer 2020

Dear Families and First graders,

Welcome to first grade! Students entering first grade are required to read **three** books. The first two titles below are mandatory. The third book is one you may choose from the list that is provided. During the first week of school, students will have a project and assignments about the books that they have read over the summer.

All students are required to read Rainbow Fish by Marcus Pfister and The Very Busy Spider by Eric Carle.

For the third book, students have a choice from the books below:

1. Leo the Late Bloomer by Robert Kraus
2. The Little House by Virginia Lee Burton
3. Make Way for Ducklings by Robert McCloskey
4. When Sheep Cannot Sleep by Satoshi Kitamura

When choosing your book please use the “just right book” strategy that is attached to find the book that is best for you!

I look forward to seeing you in September! Have a wonderful summer!

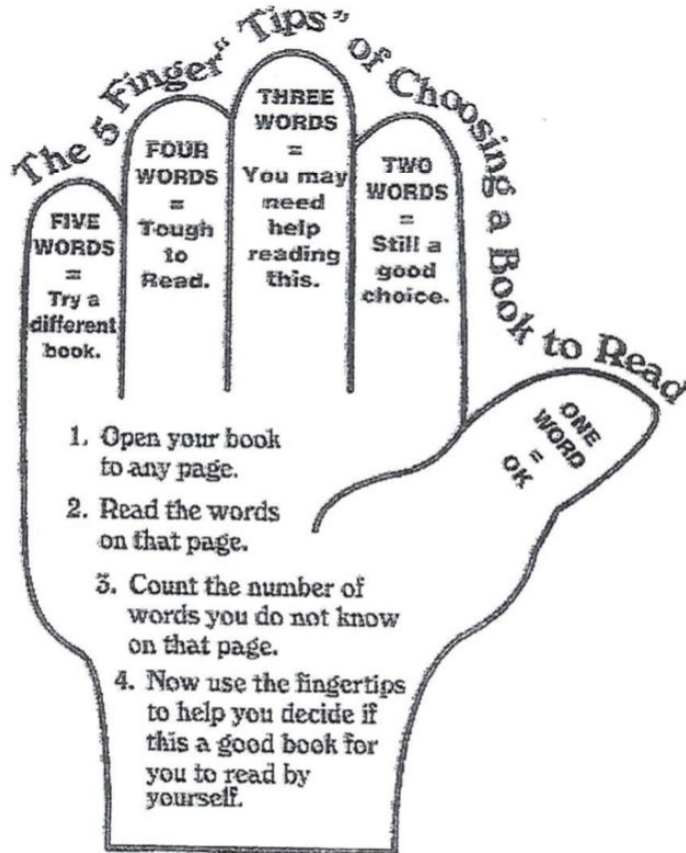

Best,
Ms. Stella
